

Civil Engineer – Entry, Mid, or Senior Level

Who we are:

NTS Environmental Science and Engineering offers a broad spectrum of environmental services, including consulting, engineering, engineering support, and data management to a wide range of clients around the Iron Range in northern Minnesota. NTS is proud to provide an employee-driven culture that fosters professional development and growth. Integrity, safety, client-focus, and excellence underline all we do. We offer a competitive pay and benefits package, flexibility, and opportunity for advancement.

Position Description:

NTS is seeking a Civil Engineer – Entry, mid- or senior-level. Pay is commensurate with experience. The successful candidate will have knowledge in the following areas:

- Landfill engineering and liner systems
- Water resources
- Permitting (DNR and public works)
- CAD

Qualifications:

- Bachelor's degree in civil engineering – EIT or P.E.
- Knowledge of Federal and State regulatory guidelines
